

Contextualizing the ECCE Teacher Competency Framework – 1

The ECCE Teacher Competency Framework for the Pacific SIDS

Content knowledge, pedagogic practice, and assessment

- Most fundamental and universal competencies expected among ECCE teachers

Points to Focus on & Guide Questions

- a) Are the contents relevant to your country? If not, what should be changed? If yes, how it is relevant?
- b) What other elements should be considered under each core/enabling competency?
- c) Is the language/text used culturally, socially and politically correct and appropriate, as well as gender-sensitive? If not, please correct accordingly.
- d) Can you provide concrete examples or update the information from your country to illustrate the content more clearly?
- e) Can you provide concrete ideas to take back to your own country?
