Sub-Theme 2: Innovations in financing and partnerships to increase investment in ECCE and improve the efficient use of resources

ASIA-PACIFIC REGIONAL POLICY FORUM ON EARLY CHILDHOOD CARE AND EDUCATION 2016
Partnerships and Agencies

Government

NGOs

Corporations

Community

Families
Partnerships in financing

Government and Citizens
- Tax-exempt contributions
- ECCE funding through dedicated bond

Corporations and Clients
- Voluntary donations included in products and services
- Loose change at banks/check-out counters

Employers and Employees
- Work-place ECCE centres
- Paid-parental duty off-days

Local authority and real-estate developer
- Developer impact fee
- Set-up centre in development area

ECCE provider and family
- Easy-pay schemes
- Payment in kind
- Cooperative funding

At the centre/classroom level

- **Learning materials** – recycled, surroundings, nature
- **Resource persons** – local community members, parents, siblings, grandparents etc
- **In-house training** – NGOs, parental workshops, peer-coaching
- **Savings in power consumption** – building should be ventilated and lighted up naturally
- **Infrastructure** – community buildings, open-air structures, playground equipment made from locally sourced materials
Thank you
