2nd Regional Capacity Building Workshop on the Recognition of Higher Education Qualifications in Asia-Pacific

1-3 June 2017

Beijing, People’s Republic of China

Our Aims:

Implementing the values of the 2011 Tokyo Convention

Accelerating the development of National Information Centres (NICs) in Asia and the Pacific
Regional Outbound Student Trends, 1999-2013

There was a 12 percentage point increase in outbound students from Asia-Pacific from 1999 to 2013.

Source: created by UIS-AIMS, UNESCO Bangkok, UIS Data Center, accessed November 2016
Since 1999, the share of intraregional students studying in Asia-Pacific has increased by almost 3 percentage points.

UNESCO: Building capacity for evidence-based policies in higher education

**SDG 4.3.** Equal access to quality tertiary education, including university

**SDG 4b.** Substantial expansion of scholarships for developing countries for HE

**ACCESS**
- Technology for teaching and learning (e.g. MOOCs, Blended Learning)
- Scholarships for mobility (SDG 4b)

**QUALITY**
- National Qualifications Frameworks (NQFs) based on learning outcomes
- Enhance status and skills of teaching personnel (i.e. 1997 UNESCO Recommendation)

**TRANSPARENCY of International Recognition**
- 2011 Tokyo Convention

**Cross-cutting themes:**
- Promoting mobility and employability
- ICT-driven innovation in HE
- R&D through ERI-NET

Promoting quality and access
