

Digital e-books for ethnolinguistic minority children

UNESCO Asia and Pacific Regional Bureau for Education on behalf of Asia-Pacific Multilingual Education Working Group, with financial support from the Global Partnership for Education (GPE), developed open-source e-books in non-dominant languages for ethnolinguistic minority children. Below is the full list of the digital e-books developed as part of this project and uploaded to the Bloom Library platform. To find out more about the project, please visit <https://bangkok.unesco.org/content/unesco-develops-open-source-digital-e-books-non-dominant-languages-ethnolinguistic-minority>.
