2) Travel from the airport to the Meeting Venue

All participants are responsible for arranging their own transportation from and to the airport. Most airlines will land in Bangkok’s Suvarnabhumi International Airport, but some budget airlines such as AirAsia have relocated to Don Muang International Airport. Please check with your airline/travel agent to confirm your destination.

There are a few recommended ways to travel from Suvarnabhumi International Airport to the Compass SkyView Hotel Sukhumvit 24.
a. Taxi

The most convenient way to get from the airport to the city is by taxi. There are two kinds of taxis: the more expensive limousine taxi and the public metered taxi. If you wish to take an airport limousine, please check with the limousine counter inside the airport.

If you wish to take a public metered taxi, please follow the signs for “Public Taxi” which lead you to outside the main terminal building on the ground level (one floor below the Arrival Hall). There are kiosks which issue you a ticket with the number of the parking space where your taxi will be waiting. (Sometimes the taxi may not be at the spot. Please wait until one shows up.) Please note that some kiosks are for small vehicles (sedan), and some kiosks are for big vehicles (van). If you are travelling alone or sharing a taxi with 1-2 persons, you may take a small taxi. If you are sharing a taxi with 3-5 persons with lots of bags, you need to take a taxi van. Please make sure that you queue up for the right kiosks.

IMPORTANT: Please print the address of the Compass Skyview Hotel Sukhumvit 24 below to show to the taxi driver if you have difficulties in communicating with the driver.

Taxi fare will be charged according to the distance travelled (shown on the meter) plus a Baht 50 surcharge. The taxi fare to the hotel is around Baht 350-400. If going by expressway, you also need to pay the toll fees (around Baht 75) when you get to the toll gates.

b. Train – Airport Rail Link

The Airport Rail Link (ARL) operates from 06:00 hrs. to midnight daily. A single-trip journey costs between Baht 15 and 45 for the commuter service. The Suvarnabhumi Airport Station is located under the main terminal building on B1 Level (two floors below the Arrival Hall). This line provides services between Suvarnabhumi Airport Station and Phaya Thai Station at the end of the line. The entire journey, covering a distance of 28 kilometers, takes about 30 minutes, with six stops along the way.

You can take the Airport Rail Link to Phaya Thai Station, which has a direct interchange to the Bangkok Mass Transit System (BTS) or the Skytrain, Sukumvit Line. You can then take a BTS/Skytrain and get off at Phrom Phong Station, the nearest station to the hotel, through the Exit no.2. The Compass SkyView Hotel is located on Sukhumvit 24, within a short walking distance from Phrom Phong station.
